FORE HOPE, FORE HEALING, FORE A BETTER TOMORROW

A Safe Place is the only shelter serving families experiencing domestic violence in and around Strathcona County, providing a crucial service to those who seek safety – and who are ready to take the first step to a new life. For over 40 years we have provided safety and support to tens of thousands of women and children.

Your commitment as a sponsor makes a tangible difference in the lives of hundreds throughout the community who face domestic violence.

“

The most important thing I want for my kids now – for them to wake up without fear. They got that because I took that first step.

”

Meeting the needs of those who need us has become increasingly difficult. Capacity and funding constraints have meant that for every person seeking our help, we've had to redirect another to a partner shelter. This is not sustainable. We need to be able to serve as many people who need our help as possible.

Services Include

- Emergency and Second Stage Shelter
- Crisis Intervention and Outreach
- 24 hour help-line
- Specialized Adult and Children's programming
- Safe and affordable housing coordination

FORE A BETTER TOMORROW**
